Do you declare that all investors in this deal are completely independent from the founders? *

Yes No

Eligible applying investors must prove they are completely independent from the investee i.e., a founder or related parties to the founder are not eligible to apply. If related parties are involved in the investment round, the Hugh Victor McKay Fund will not co-invest on the related party funding amount. Related Parties include spouse, child, parent, grandparent, brother, sister, uncle, aunt, nephew, niece, lineal descendent or adopted child. If a relationship exists where services are provided in lieu of equity this is also considered to be a related party. Any funding provided by a public fund or grant also must be declared. The Hugh Victor McKay Fund will not co-invest on the funding provided by related parties or by public funds or grants.

Please provide any details of potential, perceived or material Conflicts of Interest:

- a partnership
- a sole trader

Is the business involved in any of the following: tobacco or tobacco-related products; Cluster munitions and other controversial weapons; Thermal coal; Gambling; Logging of old growth forests; Uranium; Unregulated animal testing; Live cattle and/or sheep exports; or Fracking. *

- Yes
- No
- Other:

Is the Investee Company a Startup? *

- Yes
- No
- Other:

LaunchVic describes a 'Startup Company' as a young technology-based business that uses innovation to scale rapidly and capture global markets. Examples of technology include: software / apps, artificial intelligence (AI), blockchain, advanced manufacturing & robotics, Internet of Things (IoT), big data analytics, augmented / virtual reality, 3D printing, advanced materials, genomics & life sciences (including biotech & medtech) and autonomous vehicles.

Please describe how the Investee Company meets this eligibility criteria. *

Does the startup meet the definition of AgTech? *

- Yes
- No
- Other:

LaunchVic defines AgTech as the collection of technologies that provide the agricultural industry with the tools, data and knowledge to make more informed, timely on-farm decisions and improve productivity and sustainability. Applications of these technologies can include: plant or animal science, crop protection & input management, precision agriculture, indoor agriculture, sensors & smart farm equipment, imagery, animal technologies, processing & packaging, supply chain and hardware. *FoodTech (food production) is generally not included in this definition, unless the business idea is technology based with high impact potential, using innovation and/or addressing scalable markets

Please describe how the Investee Company meets this eligibility criteria. *

Is the Startup Victorian based? *

- Yes
- No
- Other:

LaunchVic defines Victorian-based as the startup startup must have at least 50% of its assets and employees located in Victoria and the business must be registered in Victoria. At least one founder must have a primary residence in Victoria.

Please describe how the Investee Company meets this eligibility criteria. *

Section 4: Current Investment Opportunity

* indicates a required field

Briefly describe the current investment opportunity. *

Word count:

Must be no more than 200 words.

Tell us about the Startup and what they do

Please upload the investee company pitch deck. *

Attach a file:

Please upload the investee company's Financial Reports *

Attach a file:

Why are you investing in this Startup? *

Word count:

Must be no more than 200 words.

What is your reason for investing in this Startup?

Who performed the due diligence for this opportunity and their relevant skills and experience.

Please complete if NOT your key personnel.

Full Name	Position	LinkedIn	Skills/ Experience
		Must be a URL.	

Please provide your investment deal memo for this Startup *

Attach a file:

Please upload your due diligence in the form of a deal memo outlining your due diligence findings in relation to this Startup. This must include (at a minimum) your assessment of the market opportunity, an overview of the traction the startup has had so far, why you are investing, an overview of the competitive landscape, use of funds (and runway the funds will provide) and key risks that have been identified. As the Hugh Victor McKay Fund operates as a side-car structure, the Investment Committee are relying on leveraging this thorough deal memo to inform their investment decision. If you are not

the lead investor and you are relying on the due diligence conducted by the lead investor, please upload the deal memo outlining findings of the due diligence conducted by the lead investor. The Investment Committee will not be able to make a decision on any application without thorough deal memo being provided

Section 5: Current Round Information

* indicates a required field

Are you the lead investor? *

- Yes
- No

If not, who is the lead investor?

How much are you investing in this round? *

Must be a dollar amount

When did this current investment round open and when is the round expected to close? *

Month/ Year

What is the minimum dollar amount the founder is seeking to raise in total in this round? *

Must be a dollar amount. A minimum of \$100,000 needs to have been raised from private investors prior to an application being eligible for the Hugh Victor McKay Fund.

What is the maximum dollar amount the founder is seeking to raise in total in this round? *

Must be a dollar amount.

How many months of runway is this round expected to provide? *

Must be a number.

Is the founder seeking pre-approval from the Hugh Victor McKay Fund while they finalise their funding round? *

- Yes
- No

The investment round does not need to have been completely finalised before an application is submitted. The Hugh Victor McKay Fund is able to pre-approve eligible applications (that have minimum firm commitments of \$100,000 from private investors) while the startup continues to finalise the round. If an application is successful, at a minimum, the Hugh Victor McKay Fund will co-invest

Hugh Victor McKay Application Form

Form Preview

at a 2:1 ratio on the amount raised at the point of application. The final investment amount is at the discretion of the IC. Typically, investments need to be finalised within three – six months from the date of application

What is the Investment Instrument for this round (please choose one)? *

- Priced round
- SAFE
- Convertible Note

Please choose one

If Priced round

What is the Pre-money valuation? *

Must be a dollar amount

Please provide a copy of the current cap table, and a proposed post-round fully diluted cap table (please include Hugh Victor McKay Fund within this proposed Cap Table)” *

Attach a file:

The Cap Table provided must list each investor, the amount they are investing and the corresponding share percentage. The information provided should mirror what will be provided to ASIC. If investor commitment is not yet firm, please indicate this. If seeking pre-approval, an updated cap table will need to be submitted prior to final approval of the investment.

Please upload a copy of the signed Term Sheet / drafted Subscription Agreement relating to this investment opportunity *

Attach a file:

If this is a priced round, please upload a copy of the term sheet. If you have already negotiated a shareholder/subscription agreement please also include a copy. If this is a SAFE/Convertible Note, please upload a copy of your signed SAFE/Convertible Note.

If SAFE

What is the valuation cap? *

Must be a dollar amount

What is the discount? *

Must be a number.

What is the maturity date? (if there is one)

Please provide a copy of any existing Cap Table and a proposed post-round cap table listing SAFE holders and the commitment amounts *

Hugh Victor McKay Application Form
